Huge cache of arms recovered

PRO BE DESMO

A joint team of the 26th CRPF battalion and Bokaro police recovered a large cache of arms, Ammunition and explosives from Asanapani forest area in the Jhumra hills under the jurisdiction of Bokaro district on February 6 in Bokaro SP S. Mungra.

The team found about the details of seizure the Bokaro SP said "We seized 7 handloaded pipe bombs, 2 kg of IED, 2 electric detonators, 50 grenades, 120 live cartridges, 10 bore 72 pulse strangles of 7.62 mm rifle, 2 kg of explosive powder, 2 rifles, 100 rounds Ammunition, metal poners and 2 kg of explosive powder found buried in the iron box near Asanapani forest, concluded SP.

The arrest news indicate that the Naxals had planned a few days ago, he added. CRPF commandant Abhishek Kumar Singh confirmed the materials were buried by the extremists at a place near the Hunra and the intention of the extremists was to blow up patrolling personnel crossing the road.

The seized materials and explosives were kept there to counter attack the security force. The Maoists once again tried to recapture the Hunra hills which was one of their safest training centre, commander added. CRPF assistant commandant Manoj Kumar said "Our intelligence far from been and our choice of the CRPF along with the police team of Jagdeep Vihar. Naxals reached the area after spreading rumours by friends." Mr further and that the information about the arms and explosives materials was received by the Bokaro police and the CRPF, and police personnel were advised to be alert while patrolling.

On 06th April 2019, troops of 26 Bn CRPF along with State Police carried out search operations in Asanapani forest area in Jhumra hilly region, Bokaro, Jharkhand in which huge cache of Arms, Amns, Explosives, Naxal literatures and incriminating items were recovered.
