Sub: Request for empanelment of our Company's with Central Reserve Police Force and hiring of Armed Guards (Ex-Serviceman) for our Clients

Respected Sir,

Greetings from Bengaluru Squad!!

At the outset we represent our company BENGALURU SQUAD SERVICES PRIVATE LIMITED with the following MISSION statement:

Our mission is to provide protection and security to our clients through a bespoke service tailored to their specific needs, ultimately the safety and security of the client's staff, premises, assets, and the general public is our highest priority. Security service is not the same for every customer; therefore, our business does not offer a generic, pre-packaged service. Bengaluru Squad develops security programs while working closely with the customer to develop the program that most fits their individual needs. Standard Operation Procedures can then be developed and implemented so the security officers may understand the security needs of that customer.

Our Corporate Mission is to achieve our Vision. We are committed to listening and responding to the needs of our client's requirements. We will set a new standard in the security line industry, one of uncompromising quality as a way of life; which is achieved by individuals and as a team.

CORE VALUES:

As a company and as individuals we value above all else honesty, integrity, unselfishness, professionalism, and mutual respect. For our staff, we offer a rewarding and challenging environment where personal development can flourish. We hold ourselves accountable to our clients, staff, and partners by honoring our commitments, providing results, and continually striving to provide the highest quality security services.

We pride ourselves on our unwavering commitment to 100% compliance with the existing laws in all our services. Our team of highly trained professionals ensures that every aspect of our security services adheres to the highest industry standards and regulations. This dedication to compliance guarantees safety and security of our clients and reinforces our reputation as a trusted security partner.
