# One stabbed in Meghalaya, Assam rescues 350 workers

TIMES NEWS NETWORK

**Shillong/Guwahati:** A non-tribal was stabbed in Shillong on Thursday even as Assam said it rescued at least 350 of its people from Ichamati, the scene of last week's violence that led to the current tense situation in Meghalaya.

Meghalaya Police said a group of masked men attacked S Islam with knives in the Mawkhar area of the city. The 21-year-old man from Assam's Barpeta district works as a house painter to eke out a living. Doctors at Shillong Civil Hospital, where Islam was admitted, said he is out of danger.

An Assam government official said, "They (migrant workers) didn't get food for the last five to six days because of the curfew in Meghalaya and were scared to come out." Most of these people, including women,

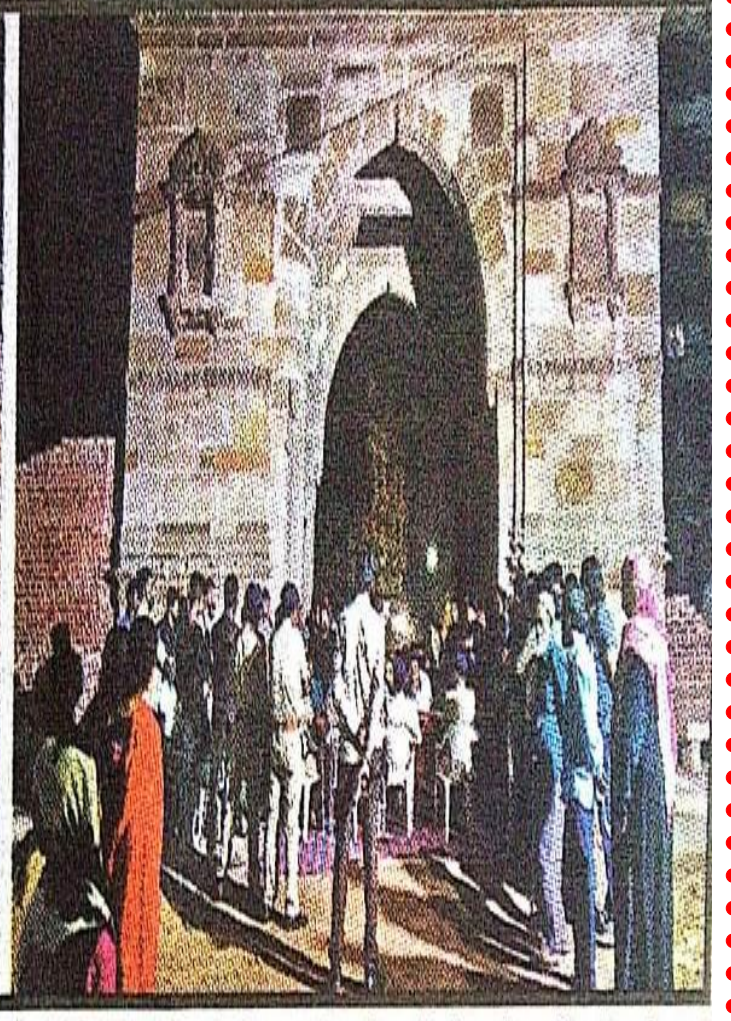

were from Assam's Kokrajhar and Dhurbri districts and were working in limestone quarries in Meghalaya.

Ashok Kumar Singhi, MLA from Assam's Bilasipara (East), said, "The government has acted promptly. These people were in great distress. We will rescue everyone stuck in Meghalaya."

Meghalaya officials said the migrant labourers from Assam were working in Ichamati where an activist of Khasi Students' Union (KSU) had been killed on February 28 in a clash with non-tribals living there.

અમદાવાદના કેટલાક વિસ્તારોને શાહિનબાગ બનાવવાની વાત વાયરલ થયા પછી બે દિવસથી શહેર પોલીસ તંત્ર દોડતું થઈ ગયું છે. બુધવારની રાત્રે ખાનપુર દરવાજા ખાતે શાંતિ સમિતિની બેઠક મળી હતી જેમાં રહીશોને કોઈ અફવા કે વાતોમાં ન આવવાની અપીલ કરી હતી. તેમજ ખાનપુર દરવાજા આસપાસના વિસ્તારમાં રેપીડ એક્શન ફોર્સને ખડેપગે કરી દેવાઈ છે. ગૃહમંત્રી પ્રદિપસિંહ જાડેજાએ કહ્યું હતું તેમ અમદાવાદ કે ગુજરાતમાં શાહિનબાગ નહીં બનવા દઈએ તે મુજબ હવે પોલીસ તંત્ર કોઈ પણ પ્રકારનું જોખમ લેવા માંગતી નથી.
