He said the new structure on 2.23 acre of land, targeted to be completed by March 2022 with an estimated cost of Rs. 277 crore and with a total built up area of 45675 sqm will enable its different branches like RAF, Northern Sector, CoBRA, Training, Medical, Works, Recruitment and Communication, now scattered all over New Delhi, to function under one roof.

Giving a detailed A/V presentation on the upcoming project, Sh. Prabhakar Singh, Director General of CPWD which is the executing agency, said that the new building of CRPF will be an iconic one in the sense that it will be smart, green, sustainable and intelligent besides being a structure with modern facilities and energy and water efficient systems. He said the structure will be a G + 11 floors with three layer basement.

On the occasion, Chief Guest Sh. Shah also unveiled the insignia of the VIP Security wing of CRPF. The insignia has the image of Indian mythical bird 'Garuda' representing 360 degree alertness along with the images of Shield and Sword denoting the offensive and defensive preparedness of the VIP Security wing. This specialized wing with the motto "Always Aware Alert" was created in 2014 to give security cover to VIPs. Today, this wing has the responsibility of 59 central protectees including 15 Z+, 21 Z and 23 other categories.
