

Central Reserve Police Force

DG CRPF to Ex-Employee: You are part of our family

In keeping with the highest humanitarian traditions of CRPF, Dr. A. P. Maheshwari, its Director General today offered financial and moral assistance to one of its ex-employee, who is a victim of the recent riots in North East Delhi. Presenting a cheque amounting to eleven lakh rupees to Alish Mohammad, a retired Head Constable of CRPF in its headquarters in New Delhi, Dr. Mashewari sounded emphatically empathic when he described the families of the martyrs and retired employees of the Force as integral part of the extended family of CRPF. On the occasion, he reaffirmed the commitment of the Force towards all the present as well as the retired/martyred personnel.

Retired Hawaldar Mohammad, while receiving the cash assistance, was all tears. Fighting back his gushing emotion somehow, he expressed profuse gratitude towards Dr Maheshwari, the Director General in particular and to CRPF in general for their support and kindness.

The retired employee's house in the riot-hit Bhagirathi Vihar area in Delhi was damaged and plundered by anti-social elements during the social commotion on 25th of last month. He along with his son somehow managed to escape to safety with the help of their neighbour.
