| Brief | <p>The Central Reserve Police Force is at the forefront of the fight against Maoist violence in the LWE affected states. A potent way to strike at the strength of the Maoist cadre is by motivating the Maoist cadre to give up arms and return to the mainstream. This not only diminishes the number of trained and active Maoist cadres but also gives others the hope of returning to a path non-violence and leading a safe and peaceful life. The persistent efforts of 22 Bn CRPF at exhorting the Maoist to surrender yielded results when 03 active CPI Maoists surrendered before 22 Bn CRPF, 203 CoBRA, and State Police officials at SP Office Hazaribagh, Jharkhand today. The surrendered Maoists, which include a 1 lakh rewardee, were involved in various Maoist activities in the Hazaribagh, Chatra and Bokaro districts.</p> <p>Details of surrendered Maoists:</p> <ol style="list-style-type: none">1.
