

## CRPF plants 3000 trees in Nayla, Jaipur

The Rajasthan Sector of CRPF conducted a massive plantation drive at the 246 Battalion campus situated in Nayla, Jaipur. Shri Vikram Sahgal, IG CRPF joined the battalion in planting 3000 saplings of varied varieties of trees including the fruit bearing ones. The families of personnel residing in the campus enthusiastically participated in the drive that aims to safeguard the environment and nurture environment friendly behaviour. For their praiseworthy contribution in the drive, the kids were presented with drawing books and stationary.

CRPF has a history of committing to the cause of the environment. The institutions of the Force take pride in their lush green campuses and undertake regular initiatives to do their bit for nature. In the year 2020, the Force gained wide appreciation for planting more than 25 Lakh trees in a short span of time.
