

Two Hizbul terrorists neutralised in Khrew, Pulwama

In the wee hours today, a joint Cordon and Search operation was launched by the troops of 185 Battalion CRPF, RR, and JKP based on intelligence input indicating the presence of terrorists in the area of Khrew Chowk, Pulwama. When the troops began the search after placing an impregnable cordon, the terrorists opened indiscriminate fire on the troops. The troops took cover and retaliated with fire and an encounter ensued. When the firing stopped, the troops searched the encounter site and recovered dead bodies of two terrorists along with an AK-47 rifle and a pistol. The neutralised terrorists belonging to the proscribed outfit Hizbul Mujahideen have been identified as Musaib Mushtaq Bhat, a resident of Khrew Pampore and Muzamil Ahmad Rather, a resident of Chakoora.
