23. **GST No. / Service Tax No. and Contractor's Registration No. must be printed on the bill which is submitted for recoupment/ payment action.**

The tender for the works shall remain open for acceptance for a period of **180 Days** from the date of opening of tenders. If any tenderer withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then **THE DIGP, GROUP CENTRE, CRPF, PINJORE (HARYANA)** shall, without prejudice to any other right or remedy, be at liberty to forfeit the earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the retendering process of the work.

24. The contractor shall bear cost of Liquidated Damage for Delay in completion of work within the stipulated time @ of 2% per month of contracted value not exceeding the 10% of contracted value in whole.

25. This Notice Inviting Tender shall form a part of the contract document.

Hard copies as submitted physically in the office of THE DIG-cum-Estte officer GROUP CENTRE, CRPF, PINJORE (HARYANA) shall be only valid document for evaluation of technical specification. THE DIG-cum-Estte officer GROUP CENTRE, CRPF, PINJORE (HARYANA) New Delhi has all rights to break

contract at any time without assigning any reason.

26. **The Tenderer are requested to return a copy of this Tender duly signed on each page along with other relevant documents as required with the tender for evaluation purpose. If tenderer fails to return a copy of this Tender duly signed, his offer will not be considered and it will be rejected.**
27. The tenderer shall be responsible for arranging and maintaining at his-own cost all materials, tools & plants, water, electricity access, facilities for executing work and all other services required for executing the work.
28. The successful tenderer shall make his-own arrangement for storage and watch and ward of material whether the same brought by him or supplied by the department. He shall remain responsible for watch and ward of installation and other fittings till these are commissioned and handed over to the department.
29. Successful tenderer should be in a position to produce, after opening of the price bids, the Original Certificates in support of the self attested copies of relevant documents submitted along with tender document. Failure to produce the original certificates at this stage in support of the attested copies of firm registration / Electrical License/any other documents etc. submitted earlier would result in disqualification and forfeiture of EMD and also liable for debarring from participation in the office of THE DIG-cum-Estste officer GROUP CENTRE, CRPF, PINJORE (HARYANA) .Bankers: SBI, GC CRPF Himshikha Pinjore, (Code No. 63213) tenders.
30. **FINAL INSPECTION:** - After completion of work as per specification the whole work will be subject to a final inspection to ensure that job has been completed as per requirement. If any defects noticed in the work are attributable to Contractor, these shall be attended by the Contractor at his own cost, as and when they are brought to his notice by THE DIG-cum-Estste officer GROUP CENTRE, CRPF, PINJORE (HARYANA) /Work committee/officer Commanding of Building/ Engineer in charge THE DIG-cum-Estste officer GROUP CENTRE, CRPF, PINJORE (HARYANA) and its representative shall have the right to have these defects rectified at the risk and cost of the contractor if he fails to attend to these defects immediately.
31. **MESUREMENT OF WORK DONE:-** Engineer-in-charge shall, except as otherwise provided, ascertain and determine by measurement, the value in accordance with the contractor of work done.

All measurement of all items having financial value shall be entered in Measurement Book/level field book so that a complete record is obtained of all works performed under the contract.

All measurement and level shall be taken jointly by the Insp/SI/Civil or his authorized representative and by the contractor or his authorized from time to time during the progress of the work and such measurement shall be signed and dated by the Engineer-in-charge and the contractor or their representative in token of their acceptance. if the contractor objects to any of the measurement recorded , a note shall be made to that effect with reason and signed by both the parties.

If for any reason the contractor or his authorized representative is not available and the work of recording measurement is suspended by the Insp/SI/Civil or his representative , the Engineer-in-charge and the Department shall not claim from contractor for any loss or damages on his account. If the contractor or his authorized representative does not remain present at the time of such measurements after the contractor or his authorized representative has been given a notice in writing three(3) days in advance or fails to countersign or to record objection within a week from the date of the measurement, then such measurement recorded in his absence by the Engineer-in-charge or his representative shall be deemed to be accepted by the contractor.

It is also a term of this contract that recording of measurements of any items of work in the measurement book and / or its payment in the interim, on account of final bill shall not be considered as conclusive evidence as to the sufficiency of any work or material to which it relates nor shall it relieve the contractor from liabilities from any over measurement or defects noticed till completion of the liability period.

32. Work scope may be changed depending upon the priority of the work.
33. No part of the CONTRACT nor any share or interest therein shall in any manner or degree be transferred, assigned or sublet by the CONTRACTOR directly or indirectly to any person, firm or corporation whatsoever without the consent in writing of **THE DIGP, GROUP CENTRE, CRPF, PINJORE (HARYANA)**

## **Instructions for Online Bid Submission**

### **Instructions to the Bidders to submit the bids online through the Central Public procurement Portal for e Procurement at <http://eprocure.gov.in/eprocure/app>**

- 1) Possession of valid Digital Signature Certificate (DSC) and enrollment/registration of the contractors/bidders on the e-procurement/e-tender portal is a prerequisite for e-tendering.
- 2) Bidder should do the enrollment in the e-Procurement site using the “Click here to Enroll” option available on the home page. Portal enrollment is generally free of charge. During enrollment/ registration, the bidders should provide the correct/true information including valid email id. All the correspondence shall be made directly with the contractors/bidders through email id provided.
- 3) Bidder need to login to the site through their user ID/ password chosen during enrollment/registration.
- 4) Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY/TCS/n-Code/e-Mudra or any Certifying Authority recognized by CCA India on e-Token/ Smartcard, should be registered.
- 5) The DSC that is registered only should be used by the bidder and should ensure safety of the same.
- 6) Contractor/Bidder may go through the tenders published on the site and download the required tender documents/schedules for the tenders he/she is interested.
- 7) After downloading / getting the tender document/schedules, the Bidder should go through them carefully and then submit the documents as asked, otherwise bid will be rejected.
- 8) If there are any clarifications, this may be obtained online through the tender site, or through the contact details. Bidder should take into account the corrigendum published before submitting the bids online.
- 9) Bidder then logs in to the site through the secured log in by giving the user id/ password chosen during enrolment/registration and then by giving the password of the e-Token/Smart-Card to access DSC.
- 10) Bidder selects the tender which he/she is interested in by using the search option & then moves it to the “my tenders” folder.
- 11) From my tender folder, he selects the tender to view all the details indicated.
- 12) It is construed that the bidder has read all the terms and conditions before submitting their offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, their bid will be rejected.
- 13) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF/xls/rar/zip/dwf formats. If there is more than one document, they can be clubbed together and can be provided in the requested format. Each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip/rar and the same can be uploaded, if permitted. Bidders Bid documents may be scanned with 100

dpi with black and white option. However if the file size is less than 1 MB the transaction uploading time will be very fast.

- 14) If there are any clarifications, this may be obtained through the site, or during the pre-bid meeting if any. Bidder should take into account the corrigendum published from time to time before submitting the online bids.
- 15) The Bidders can update well in advance, the documents such as certificates, annual report details etc., under My Space option and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
- 16) Bidder should submit the Tender Fee/ EMD as specified in the tender. The original should be posted/couriered/given in person to the Tender Inviting Authority, within the bid submission due date & time for the tender. Scanned copy of the instrument should be uploaded as part of the offer.
- 17) While submitting the bids online, the bidder reads the terms & conditions and accepts the same to proceed further to submit the bid packets.
- 18) The bidder has to select the payment option as offline to pay the Tender Fee/ EMD as applicable and enter details of the instruments.
- 19) The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise submitted bid will not be acceptable.
- 20) The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General conditions of contract without any exception and have understood the entire document and are clear about the requirements of the tender requirements.
- 21) The bidder has to upload the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid will be rejected.
- 22) If the price bid format is provided in a spread sheet file like BoQ\_xxxx.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/BOQ template must not be modified/ replaced by the bidder; else the bid submitted is liable to be rejected for this tender.
- 23) The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.
- 24) After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the

acknowledgement number, given by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and will also act as an entry pass to participate in the bid opening date.

- 25) The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The bidders should follow this time during bid submission.
- 26) All the data being entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & not be viewable by any one until the time of bid opening.
- 27) Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 28) The confidentiality of the bids is maintained since the secured Socket Layer 128 bit encryption technology is used. Data storage encryption of sensitive fields is done.
- 29) The bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.
- 30) For any queries regarding e-tendering process, the bidders are requested to contact as provided in the tender document. Parallels for any further queries, the bidders are asked to contact over the **Email:** - [diggcpjr@crpf.gov.in](mailto:diggcpjr@crpf.gov.in) Ph.No. 01733-297144(Office), 01733-297139(Control Room), Web site.
