

## **2IEDs detected in Latehar, destroyed in situ**

On getting information that Maoists have planted IEDs between village Jharghar and Pipratanr, PS Barwadih, Latehar, Jharkhand an operation was launched yesterday by the troops of 11 CRPF to detect the IEDs and avert any harm to security Forces and civilians. During the operation, as the troops carefully scanned the area looking for any tell-tale signs of unusual activity, they detected 02 IEDs weighing about 5KG each, carefully concealed by the greenery of thick foliage. The detected IEDs were demolished in situ.
