

### 15Kg IED recovered in Bokaro, Jharkhand

A credible intelligence input was received indicating that Maoists have planted an IED in the area under PS Nimiyaghat, Bokaro, Jharkhand with intent to target the security forces. Soon enough, the troops of 154 Battalion and State Police launched an operation to detect the IED before the adversary could cause any damage. The troops scanned the area to identify any tell tale signs and discovered a 15Kg IED planted in a culvert between Makhan-Chechariya area, U/PS -Nimiyaghat, Jharkhand. The troops immediately cordoned off the area by positioning themselves at safe distances and the BDD squad demolished the IED in situ.
