

INTERNAL SECURITY ACADEMY

“Power through pursuit of knowledge” is the motto of Internal Security Academy (An ISO Certified Training Academy). The Academy endeavors to impart professional knowledge/skills, inculcate right attitudes and develop values in the trainee officers to enable them to serve the nation better.

The Academy was established at Mount Abu (Rajasthan) on 1st February 1975 on shifting of the Central Police Training College (later rechristened, Sardar Vallabh Bhai Patel National Police Academy) to Hyderabad. ISA took over all properties from NPA which were either hired or owned by CPWD. The main Academy campus is the campus of erstwhile the Abu Lawrence School. “Never give in” the motto of erstwhile Abu Lawrence school is also a motivating factor of the academy besides our own motto.

THE MISSION

The primary mission of the Internal Security Academy is to orient/re-orient officers of the CRPF/CPMF/State Police forces to carry out their assigned tasks and responsibilities with right attitude, uprightiness, dedication and with a strong commitment of service to the people. The Academy aims at quality training with total quality management of the Institution. The Academy is a "Centre of Excellence" for training and research in various fields.

AIM

To provide a platform to the officers of CRPF/CAPFs, Armed Forces, State Police and administration for discussing present Internal Security problems of the country and the strategies/tactics to deal with them.

SCOPE

- Develop an awareness and conceptual understanding of the complex and complicated Internal Security problems being faced by the country.
- Analyze the problems faced by the officers in the field and to explore alternative strategies/tactics for tackling them.
- Give exposure to latest techniques in maintenance of Internal Security.
- Appreciate Human Rights issues and role of Police.
- Comprehend and evaluate the expectations of society with regard to speedy and effective justice.
- Create a forum for free and frank discussions and disseminations of new ideas and innovations in matters concerning management of National security.
- Utilize participants' expertise on specific aspects of policing through experience sharing to ensure exchange and cross fertilization of innovative measures to deal with National security challenges.
- Promote understanding and co-ordination among different stake holders of national security.
