

## INTERNAL SECURITY ACADEMY

“Power through pursuit of knowledge” is the sole objective of this Academy. The Academy endeavours to impart professional knowledge, inculcate skills and attitudes and develop values and norms enabling them serve the nation better.

Situated at a height of 1220 meters it is known as ‘The Hill of Wisdom’ or ‘Saints Pinnacle’. Important Rajput and Jain pilgrimage centres are located here. Dilwara Jain Temple constructed between 11th and 13th century is a marvel in white marble. Nakki Lake is believed to have been dug by the Gods with their nails. ‘Brahma Kumaris World Spiritual Centre’ is located in this city. Besides there are a number of temples, sight seeing places, gardens and picnic spots.

The Internal Security Academy (ISA) was established at Mount Abu (Rajasthan) on 1st February 1975 after shifting of the Central Police Training College (later rechristened, Sardar Vallabh Bhai Patel National Police Academy) to Hyderabad. ISA took over all properties from NPA which were either hired or owned by CPWD. The Abu Lawrence School Campus (4.5 Acres), which houses the main Academy Campus, was purchased by CRPF in 1979.

Constructed in 1849, Abu Lawrence Asylum was founded by Major General H.M. Lawrence, K C B (Agent to the Governor General in Rajputana from 1855 to 1857) and later converted to Abu Lawrence School in 1854. He died on 4<sup>th</sup> July 1857. According to his last Will, the Abu Lawrence School was dedicated to East India Company where he served for over 35 years. The school building including out offices was built at a cost of Rs. 10, 000/-. Primarily, the school was to provide refuge and vocational education to orphans and soldiers children in a good climate.

“Never Give In” was the motto of the school. The Abu Lawrence School was a co-educational institution providing accommodation to 48 boy and 32 girls and was partly maintained by imperial funds and partly from private subscription fees and interests on endowments. The managing committee comprised of the Government General’s Agent (The Resident) of West Rajputana State, the Superintending Engineer, the Chaplain of Abu, the Commandant of Sanitorium, Officer Commanding of the Station Hospital and Magistrate of Abu. Inspector of European School of Bombay and Central India used to visit the school periodically. The staff comprised of a Head Master, a school Mistress and three Assistant Masters.

Children of pure European parentage used to get precedence over those of mixed parentage for admission in the school. Donors could nominate children for admission. Proportion of their donation’s fee structure was in accordance with the ranks in Army. For withdrawal, 14 days advance notice was essential.

After the First World War (1914 – 1918) East India Company took care of education of the wards of old boys of Abu Lawrence School who died during the war. On 15<sup>th</sup> September, 1948 a training college for Indian Police Service Officers was set up at Mount Abu. Initially, the college was housed in Army Barracks. Abu Lawrence School was closed on 30<sup>th</sup> December 1950. The premises of the school building were acquired for housing its offices, class rooms, library and Rajputana Hotel Estate for its officers mess. After the shifting of Central Police Training College in its rechristened version as SVP National Police Academy to Hyderabad, the Central Reserve Police Force took over the complex to establish the Internal Security Academy on 1<sup>st</sup> February 1975.
